Saturday, September 9 at the City Park!**

## Hanska Community Library News

We had a good Summer Learning/Reading Program all through July. The week and day I was out Rhonda, Madeline & Sandy did great job with it as well as Children's Night Out and regular shifts. Thank you all.

Our last session is Wed, 8/2 with all here at 1:00 pm when we do certificates, prizes for most books read, perfect attendance and small coupon items from various places. A new one this year will be a nice surprise at Ampride thanks to Jeanne. At 2 pm we have Balloon-A-Kazoo, Clare Fischer balloon twisting. At 3pm we have the build your own sundaes, thanks to Hy Vee for the ice cream & toppings. This is the day kids get to invite parents, grandparents, siblings to join us for sundaes.  
Thurs AM, July 27<sup>th</sup> Mankato Technical Solutions were here to do special wiring for the patron computers at the building which will be our new permanent library site. New Ulm Telecom was also here to check on special fiber optic wiring for us. Travis has it all color marked for them. It is so good to see progress. !! July brought in donations of \$2250.00.

The WOT(Women of Today) are graciously hosting a Taco Feed, Saturday, August 19<sup>th</sup> from 4:30 pm-7:30 pm as a fund raiser for OUR library. There will be good food, fun, dessert and fellowship so come join us and support YOUR library. Remember this IS YOUR LIBRARY, not just the staff, the regular patrons, the library board or city council library. It is YOUR library.

Monday, August 21<sup>st</sup> in the pm I will join the other five Brown County Library Directors meeting with our county commissioners in hopes of securing a raise in the amount of monies allocated to libraries. If you could stop at library and fill in a card of why the library is important to and return it by Thurs August 10<sup>th</sup> we can get these to our commissioners to read a head of time. That would be a big help.

The next Library Fund Raising Committee meeting is on Monday, August 21<sup>st</sup> as well. At the library at 6:30 pm.

That is also the day of the eclipse so view safely. Enjoy your end of summer vacation. If they are by the lake remember we have adult, youth, children and infant swim vests for check out.

We are looking for one person to be a library board member. Please let me know if interested.

Submitted by Darlene Nelson, Library Director
