Hanska Community Library

April was a busy month at the library with more than 300 visits. The library was packed for the Kids' Craft Night Out on Tuesday, April 16th with close to 40 children and adults participating. The theme was Earth Day, and the kids listened to a story about the life of a plastic bottle and discussed why it's important to reduce, reuse, and recycle. They created "grass hair monsters" out of recycled plastic bottles. When the grass "hair" grows, they can cut and style it. They also painted flowers with stamps made from recycled materials, and had pudding "dirt" cups for a snack.

Save the date: May Kids' Craft Night Out will be on Tuesday, May 7th at 6:00pm. The theme will be Mother's Day.
